Dear Families

Please find attached the volunteer roster as it currently stands for this coming Sunday’s Craft Market. As you can see we are after a couple of volunteers to go around and collect site fees from 10am. It should take about an hour. Please let us know if you can help with this as soon as possible.

Thank you so much to the parents who volunteered their time last Thursday afternoon and evening for the catering event. I have heard so many positive comments from attendees about what a wonderful meal it was. Wonders can be worked with a BBQ!!! It was very nice that there was some food left over for students and parents to share at lunchtime the following day. Frau Stoffel and I were very sorry we missed that.

Last Thursday Catherine came to spend the morning with us talking about her experiences in Japan, helping us with learning some of the language and customs and showing us some fascinating video footage from a school and the school sports. The students were enthralled and really enjoyed hearing all about Japan and particularly having their names written in Japanese. Thanks Catherine!

The construction of our new cubby is underway. Can’t wait to see the finished product!
